35 Years Of Pioneering Veneer Innovation

We are immensely proud to be recognized as one of the pioneers in the Indian decorative panel industry. We acknowledge this role as a huge responsibility and strive to offer a highly diverse, creative product palette with unmatched quality. Our nonstop endeavour to better ourselves and our competition in terms of both quality and creativity has allowed us to become a trusted brand in the market and stay ahead of the pack for more than 35 years now. Our Timex veneers are also hundred percent ensure a long lifespan of the installation.
