

Weaving the Magic of Wood !

Wood Weaving Veneers

e n v i s i o n i n g t h e f u t u r e

Timex Group of Industries, set up in 1982, is India's Leading plywood manufacturing company. We have made our presence felt at homes, offices and commercial establishments.

For more than 25 years, we have been serving our customers with the best in decorative veneers, plywood, mica, ACP & ceramics.

The Timex Group has forayed into diverse activities ever since its inception.

Its wide range of veneers adds beauty, convenience and style to every application.

Timex has the maximum number of design and colour shades of veneers.

Timex processes high quality woods for decorative purposes and uses raw veneer of minimum thickness of 0.55mm for its products. Today, Timex is one of India's leading manufacturer of hardwood veneer and specializes in surface wood thus bringing in a variety of choices.

Timex Veneer
architectural ideas personified !

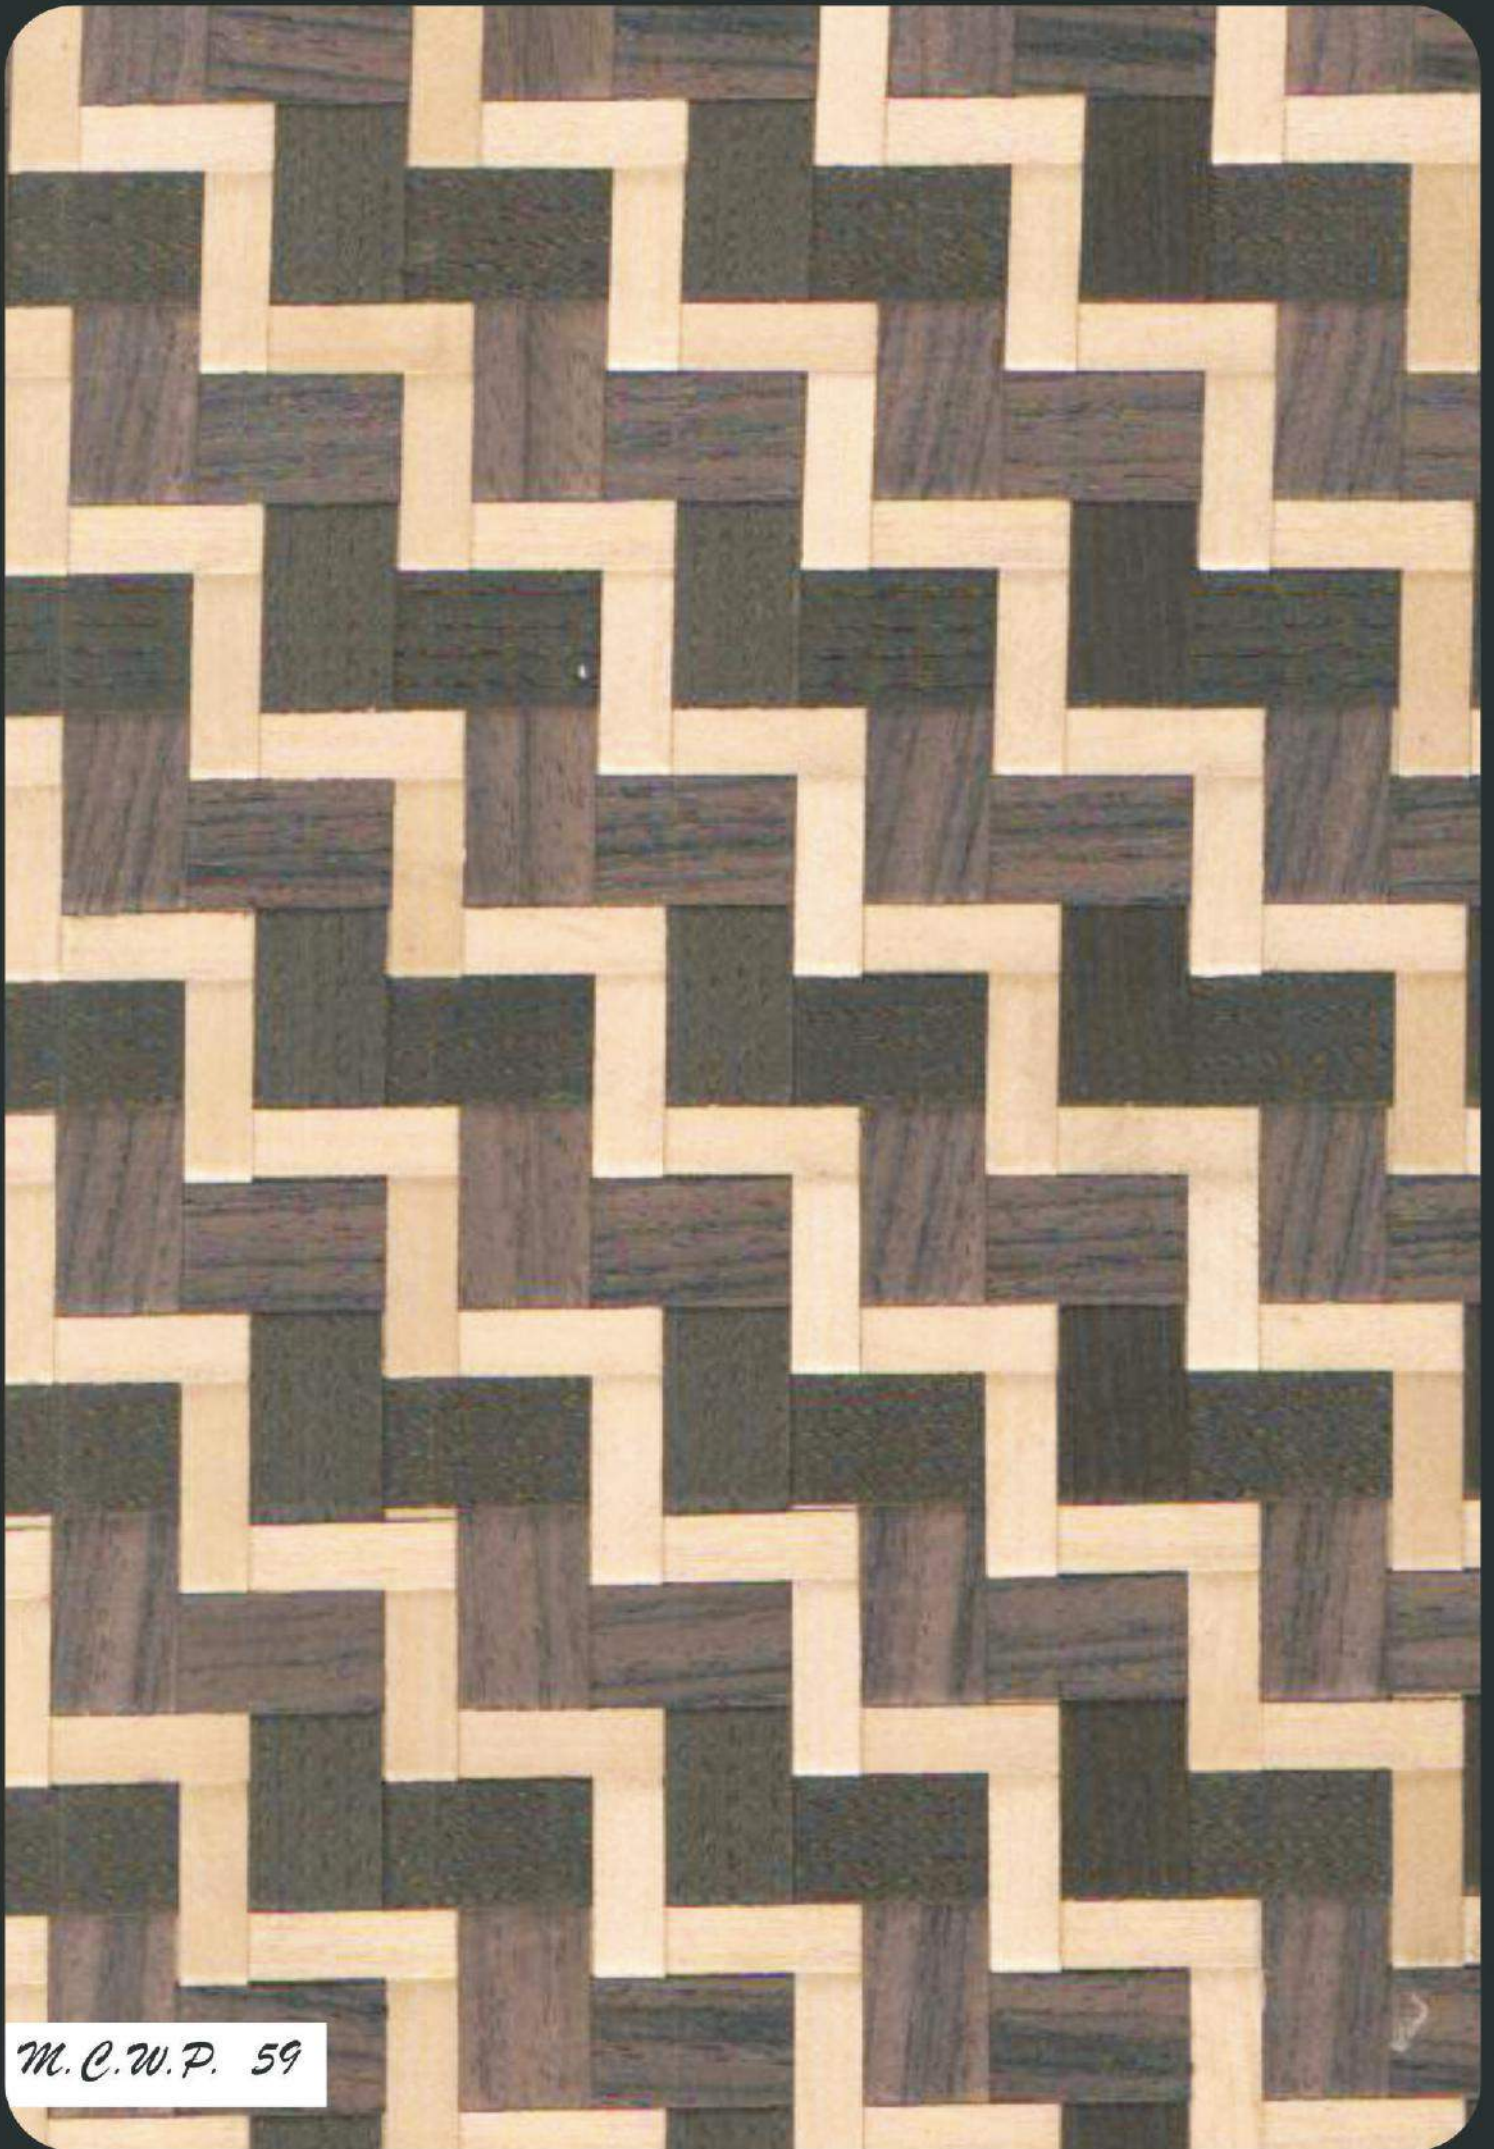

Wood Weaving Veneers

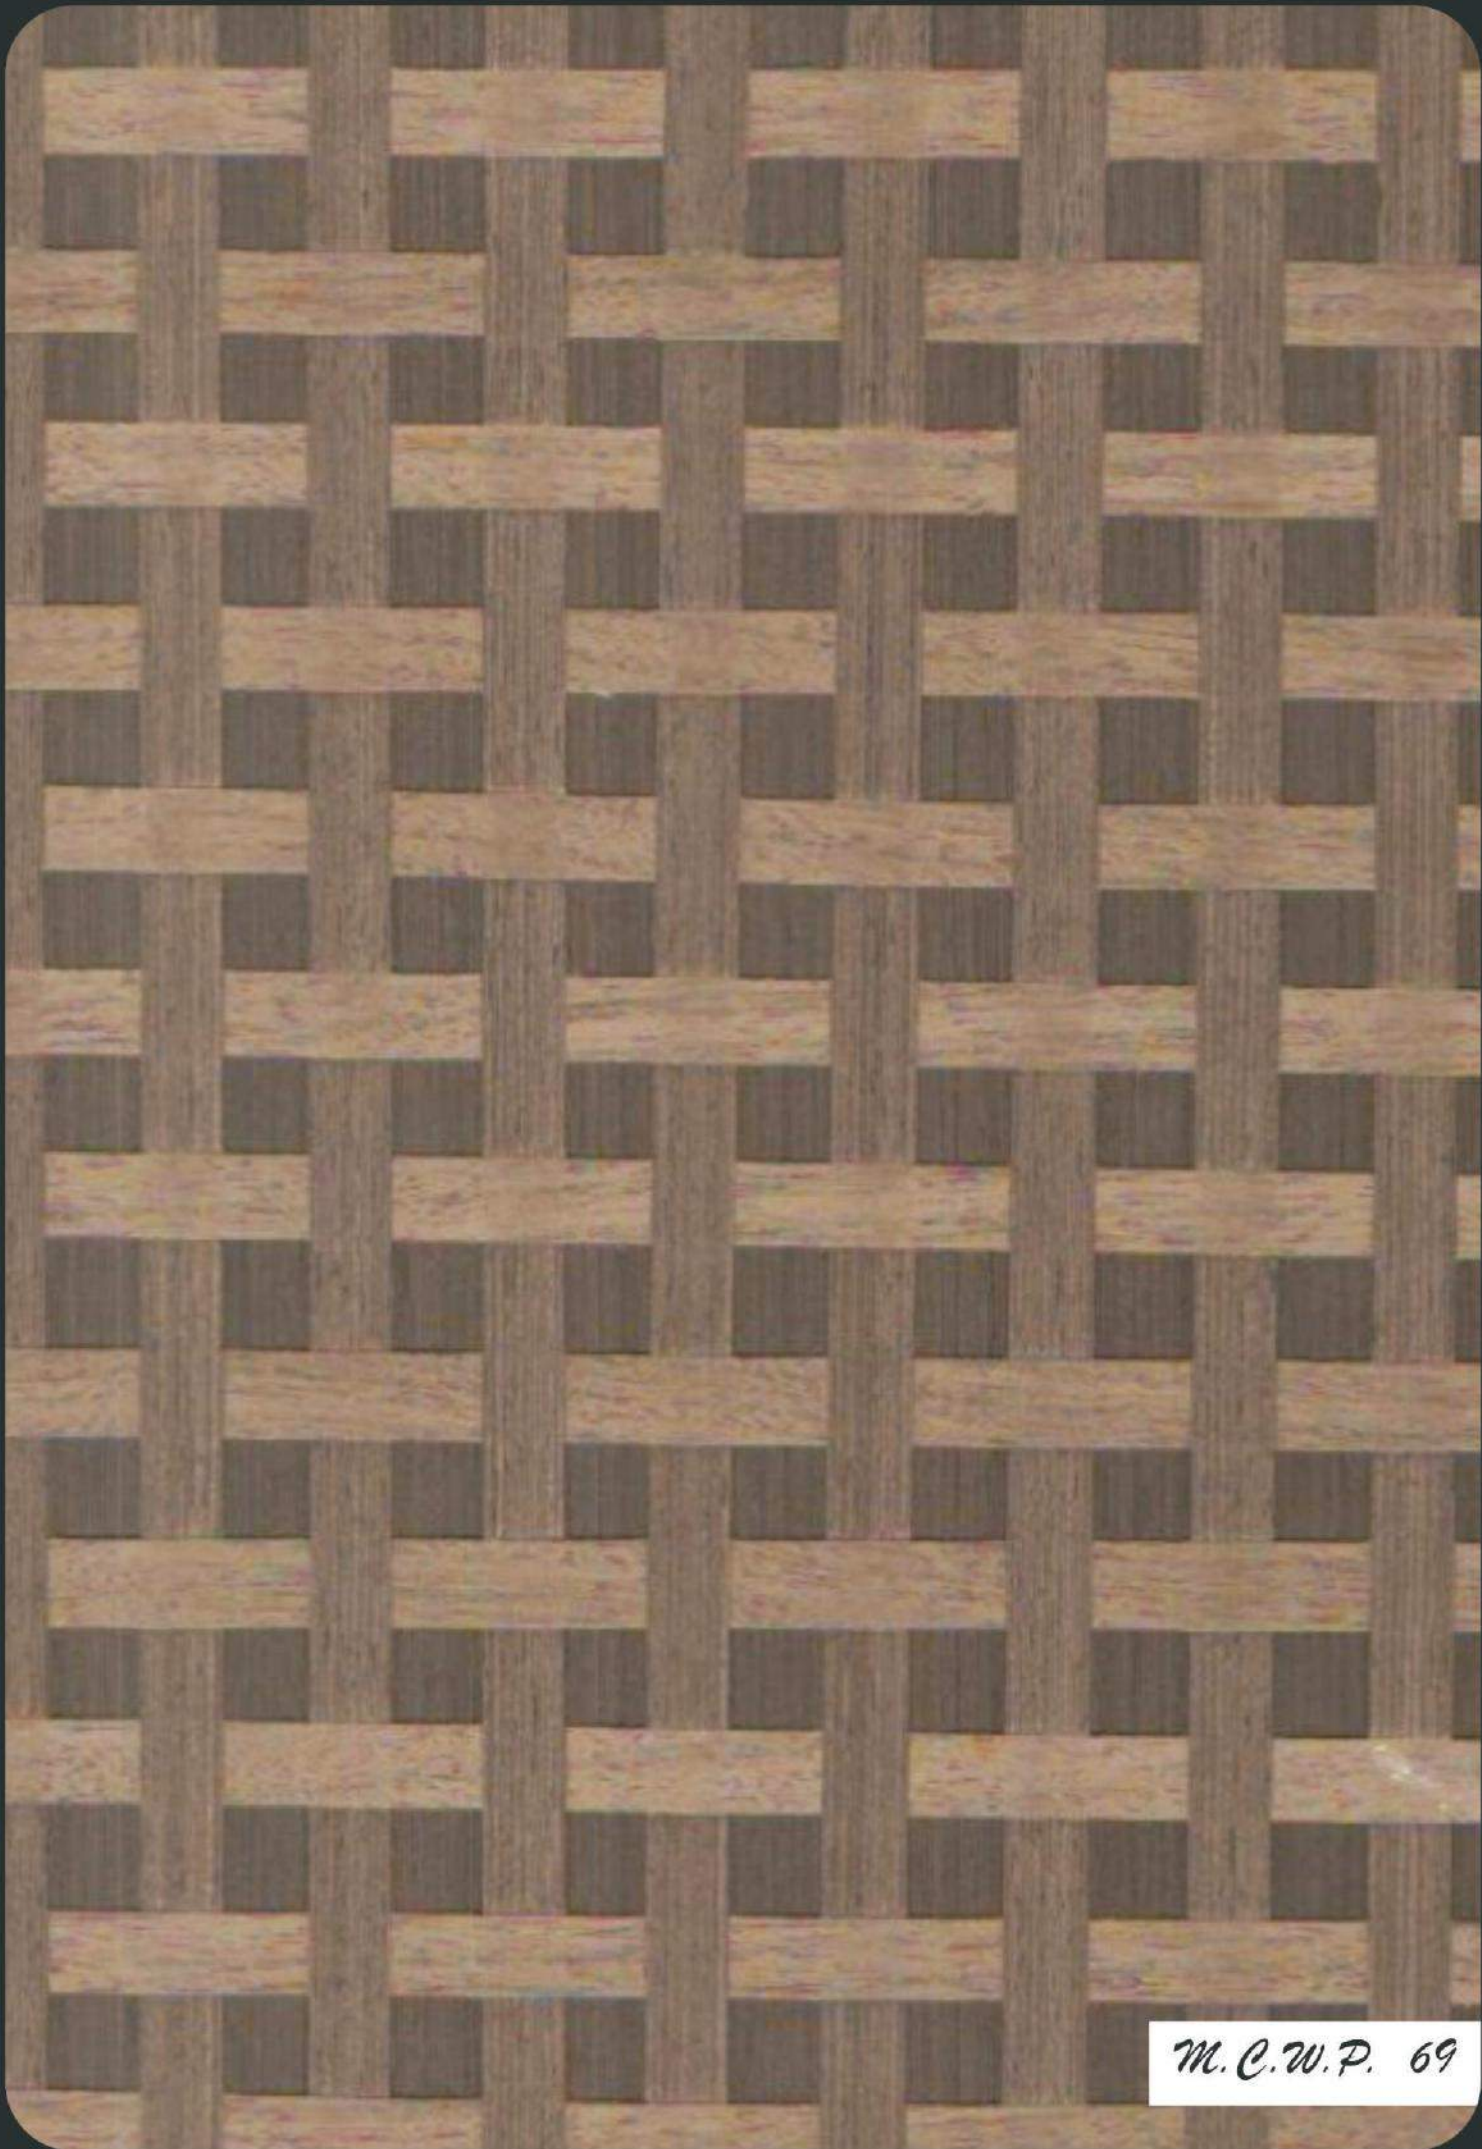

The Wood Weaving Veneer from Timex is created through a unique wood lamination process using a range of local and exotic wood varieties. The layers are innovatively blended, like a jigsaw puzzle, but with the seams hidden behind.

These veneers can be used to create cabinet doors, headboards or even an entire lobby wall. The uniqueness of the veneers lays in the fact that they add rare sheen and elegance to any area...be it the modern day kitchens, bathrooms, living rooms and bedrooms.

Whether it is a cabinet or a wall, use Wood Weaving Veneers from Timex to add opulence to your rooms. After all, innovation can only add wings to imagination.

The image shows the front cover of a notebook. The cover is decorated with a wood-grain pattern, consisting of rectangular blocks of wood grain arranged in a staggered, brick-like pattern. The wood grain is a medium brown color with visible vertical and horizontal lines. The notebook has rounded corners. At the bottom left corner, there is a small white rectangular label with the text "w.w.v. 05" written in a black, cursive-style font. The notebook is set against a dark background, and there is a thin red and blue horizontal stripe at the very bottom of the image.
