The image displays a vertical wood grain texture with a light tan to golden-brown color palette. The grain is characterized by vertical lines and several prominent, vertically oriented oval knots. The overall appearance is that of a natural wood veneer.

TIMEX VENEER
Robusta

TIMEX VENEER
Sm. Flacky Oak

The image displays a dense, intricate wood grain pattern characteristic of Poplar Burl. The color palette is a range of earthy browns, from light tan and beige to deep, dark chocolate and near-black tones. The grain is highly irregular and swirling, with many small, tight curls and larger, more open, chaotic patterns. The overall effect is a rich, textured surface that resembles natural wood burl. In the bottom right corner, the text 'TIMEX VENEER' is printed in a bold, white, sans-serif font, with 'Sm. Poplar Burl' printed directly below it in a smaller, white, sans-serif font.
